BARBADOS DARTS FESTIVAL**

DARTS TECHNOLOGY

The Festival has established itself as the premier annual darts event in the Caribbean and is designed to accommodate darts players, both men and women, of all standards.

It offers a mix of social darts and competitive darts with prize money but should be looked upon as an opportunity to meet and play with and against dart players from different cultures and traditions in one of the most sought after holiday destinations on the planet. And, you don't need a partner to enjoy full participation in all the darts events. We will find you one.

The itinerary has been arranged so that both dart players and their non-playing partners, family and friends can enjoy Barbados and all that it offers.

A social programme has been designed to make the Festival a memorable occasion for everyone. Testimony to its popularity is that many participants are enjoying their third and fourth years at the event!

Your accommodation will be in St Lawrence Gap, just yards away from, on one side, the clear, warm, azure blue ocean and, on the other, a host of restaurants, bars, night clubs, shops and banks – all within easy walking distance.

The social darts events will also be staged at a venue in St Lawrence Gap and the more competitive tournaments involving players from a host of other Caribbean countries will take place at the well appointed Solidarity House over the weekend of November 7 – 9.

Quote: *"We've always had a great time and look forward each year to meeting old friends and making new ones and thoroughly enjoying Barbados"*
