**The team scores were reversed on the Score Sheets for The Weal Inn #2 vs American Legion #3 when they were sent to me. The stats were originally processed using the scores written on the sheets. Later I was notified that the scores were reversed and I was requested to refigure the standings using the corrected team scores. I was able to make this change on the website but the printed stats remain incorrect. It is very important to check your score sheets at the end of the night before you sign them. When you sign them you are attesting to their accuracy not just signing them to be signing something. When I figure your stats I do not go over your sheets first to see that there are no errors before I process them. I couldn't make any changes anyway. It is up to you to see that they are accurate before they get sent to me. Not only do your stats get published with errors, I have to do double work because I have to correct your errors and then re-publish your stats.**
